### **O & R Request**

**DATE:** August 26, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Lenora Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 1 East Main Street for the purpose of 20 single-family attached dwellings, and one single-family detached dwelling, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1 East Main Street for the purpose of 20 single-family attached dwellings, and one single-family detached dwelling, upon certain terms and conditions.

**REASON:** The applicant is requesting authorization for twenty (20) newly constructed single-family attached, and one (1) single-family detached dwelling. The underlying TOD-1 (Transit-Oriented Nodal District) district does not permit specific design elements in the application. The design does not meet the requirements found in sections 30-438.3:1 and 30-438.5 of the Code of the City of Richmond, dealing with front yard setbacks and public street frontage, respectively. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 21, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 42,614 SF or .97 acre parcel of land improved with a surface parking lot constructed, per tax assessment records, in 1975. The property is located in the Monroe Ward neighborhood within the City's Downtown Planning District along South Foushee Street between the 1st block of East Main and Cary Streets. The property is also located within the Arts District Station area of the City's Bus Rapid Transit (Pulse) Corridor.

The City of Richmond's current Pulse Corridor Plan designates the subject property as Downtown Mixed Use which "...features high density development with office buildings, apartments, and a mix of complementary uses, including regional destinations. Higher density pedestrian and transit oriented development encouraged on vacant or underutilized sites; new development should be urban in form and may be of larger scale than existing context. Active commercial ground floor uses required on street oriented commercial frontages. Active ground floor uses and design required on priority street frontages. Driveway entrances required to be off alleys whenever possible; new driveways prohibited on street oriented commercial and priority street frontages. Little to no setback of new development unless to create pedestrian oriented amenities like plazas and outdoor dining. Surface parking prohibited as a principal use; when surface parking is provided as an accessory use, it should be located to the rear of buildings and screened by shade trees. Parking requirements are substantially less in these areas than other areas of the city and are largely eliminated. Potential future zoning districts: B-4, RF 2. (City of Richmond, 2017) The density of the proposed development would be approximately 21 units per acre.

Adjacent properties along the East Cary Street corridor are in the same TOD-1 District as the subject property. A mix of RO-3 (Residential Office) and B-4 (Central Business District) zoning districts are present in the vicinity. A mix of office, mixed use, commercial, industrial, and residential land uses are present in the vicinity.
