RE: To authorize the special use of the property known as 1301 Bellevue Avenue for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1301 Bellevue Avenue for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

REASON: The subject property is zoned R-5 Single-Family Residential district. The property currently consists of a two-story single-family with a one-story detached garage. This proposal is to create a second dwelling unit on the property located in the accessory garage building in the rear yard. A dwelling unit located in an accessory building is not a permitted use in the R-5 district and a Special Use Permit is required to be adopted by City Council to authorize this use.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 21, 2019 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 7,000 SF (.161 acre) parcel of land and the improvements consist of a two-story single-family dwelling and a one-story detached garage. It is located in the Bellevue Neighborhood within the City's North Planning District, on the corner of Bellevue Avenue and Lamont Street.

The City of Richmond's Master Plan designates the subject property for Single-Family Low Density) uses. Primary uses in this category are single-family detached dwellings at densities up to 7 units per acre. The density of the parcel if developed as proposed would be a ratio of approximately 6 units per acre. There are also a variety of general housing goals contained in the Master Plan Neighborhoods and Housing chapter that are applicable to the request. These goals include, among other things, recognition of the need for a variety of housing choices.

All properties surrounding the subject property are located within the same R-5 Single-Family Attached Residential zoning district. Within the area of the subject property, those properties with improvements contain a mixture of single-family detached and single-family attached structures.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

BUDGET AMENDMENT NECESSARY: No.
