### **O & R Request**

**DATE:** September 13, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Selena Cuffee-Glenn, Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To amend Ordinance No. 2019-014 authorizing the special use of the property known as 2919 Griffin Avenue that authorized a single-family detached dwelling to also authorize the subdivision of the property and allow a second single-family detached dwelling on the new parcel.

**ORD. OR RES. No.**

**PURPOSE:** To amend Ordinance No. 2019-014 authorizing the special use of the property known as 2919 Griffin Avenue that authorized a single-family detached dwelling to also authorize the subdivision of the property and allow a second single-family detached dwelling on the new parcel.

**REASON:** The property contains a single-family dwelling and was located within the R-6 Single-Family Attached Residential District until October 12, 2015 when City Council adopted Ordinance No. 2015-200-196 which changed the zoning district to UB-PE7 Urban Business District. Single-family dwellings are not a permitted use in the UB-PE7 district and the existing single-family dwelling became a legally non-conforming use. Ordinance 2019-014 remedied the legally non-conforming status of the property. Since this time, the property sold to a new owner who wishes to subdivide the parcel and build a single-family dwelling on the new parcel. Ordinance 2019-014 must be amended in order to allow these actions.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its November 4, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 10,500 SF (.241 acre) parcel of land containing a two-story structure within the UB-PE7 District. It is located in the North Barton Heights Neighborhood within the City's North Planning District near the intersection of Griffin Avenue and W. Brookland Park Boulevard.

The subject property was rezoned from the R-6 Single-Family Attached Residential District to the UB Urban Business District on October 12, 2015. The remaining 25 properties within the block extending south to W. Essex Street remained in the R-6 District. The proposed lot subdivision will create two parcels that each conform to the criteria specified in the zoning ordinance for development in the R-6 Single-Family Attached Residential District. Thus, the proposal is in keeping with the character of the established surrounding residential neighborhood.

The City of Richmond's Master Plan designates the subject property as community commercial. Primary uses include office, retail, personal service and other commercial and service uses. Specifically for the North District, the Master Plan states that "along the western edge of the commercial area, between Griffin and Montrose Avenues, converting existing commercial uses located in single-family structures back to single-family uses would be appropriate. (See page 258, Richmond Master Plan.)

A special use permit authorizing the subdivision of the parcel and the construction of a single-family home will not disallow any future use that is consistent with the UB-PE7 Zoning District.

The properties located to the east, across Griffin Avenue, contain single-family dwellings on properties in the UB-PE7 and R-6 Single-Family Attached Residential zoning districts. Adjacent, to the south, are single-family dwellings in the R-6 Single-Family Attached Residential zoning district. Adjacent to the east is a mixed-use structure on property in the UB-PE7 zoning district.
