A letter outlining the Commission’s recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The properties are located in the Manchester neighborhood in the City’s Old South Planning District and consist of a combined .65 acres at the intersection of McDonough Street and West 12th Street.

The City of Richmond’s Downtown Plan designates a future land use category for the subject property as Downtown General Urban area. The General Urban Area is characterized by medium-density mixed-use development along medium sized blocks. Old Manchester is an example of the general urban condition in Richmond. This district is characterized by single-family homes, sideyard houses, row houses, and small multi-family buildings such as duplexes, triplexes, and quads. These buildings have variable setbacks and landscaping

and contain a limited mix of commercial and civic uses. (City of Richmond Downtown Master Plan, 2009, page 3.23)

The subject properties, as well as the adjacent properties to the south and west are located in the R-8 Urban Residential District. The properties to the north and east are located in the R-63 Multifamily Urban Residential District and the B-6 Mixed-Use Business District.

A mix of commercial, office, vacant, public-open space, and residential uses are located in the vicinity of the subject properties.
