RE: To authorize the special use of the property known as 1703 Maury Street for the purpose of authorizing a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1703 Maury Street for the purpose of authorizing a two-family detached dwelling, upon certain terms and conditions.

REASON: The applicant has proposed a two-family detached dwelling that does not meet the minimum lot area and lot width requirements of the R-7 Single- and Two-Family Urban District. A Special Use Permit is

therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 2, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property referenced as 1703 Maury Street consists of a 4,340 SF parcel of land with 28 linear feet of street frontage and 155 feet of depth. The property is vacant. The property is located in the Blackwell neighborhood of the Old South Planning District.

The City of Richmond's current Master Plan designates a future land use category for the subject property as Single-Family Residential at Medium densities. Primary uses for this category "...are single family and two family dwellings, both detached and attached, at densities of 8 to 20 units per acre." The density of the proposed development would be approximately 20 units per acre.

Surrounding properties are within the same R-7 District as the subject property. A mix of single-, two-, and multi-family residential and vacant land uses predominate the area, with some commercial and institutional land uses present as well.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
