**DATE:** October 14, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**RE:** To authorize the storage of inoperable motor vehicles outside of an enclosed building on properties known as 2608, 2618, and 2727 Buford Avenue, 4201, 4207, and 4208 Tyrone Street which are located within the M-1 Light Industrial District, subject to certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the storage of inoperable motor vehicles outside of an enclosed building on properties known as 2608, 2618, and 2727 Buford Avenue, 4201, 4207, and 4208 Tyrone Street which are located within the M-1 Light Industrial District, subject to certain terms and conditions.

**REASON:** The subject properties are located at 2608 and 2618 Buford Avenue; and 4201, 4207 and 4211 Tyrone Street. The proposed special use is for the operation of an outdoor storage yard for inoperable motor vehicles and this is not a permitted used within the M-1 Light Industrial District. Therefore, a special use permit is required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 2, 2019, meeting. A letter outlining the Commission’s recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject properties three parcels totaling 1.561 acres located on Tyrone Street, and two parcels totaling 2.184 acres located on Buford Avenue. All of the properties are located in the M-1 Light Industrial District and are improved only with gravel surface parking.

The subject properties have been used for junk vehicle storage in violation of the zoning ordinance for an extended period of time prior to the applicant acquiring the properties on September 28, 2019. Since this time substantial progress has been made clearing the properties of inoperable vehicles and assorted debris. Weeds and scrub brush have also been cleared. These efforts to bring the properties into conformance are taking place

in concurrence with this SUP application process. The request for an outdoor inoperable vehicle storage area that conforms to the requirements of the M-2 Heavy Industrial Area where this use is permitted, will be a significant improvement of the property.

The Master Plan recommends single-family (low density) residential land use for the parcels north of Buford Avenue and industrial land use for the parcels south of Buford Avenue.

The properties located to the east of the subject property are located in the B-3 General Business District. Properties to the south and west are located in the M-1 Light Industrial District. The properties to the north are located in the R-MH Mobile Home District.
