RE: To authorize the special use of the properties known as 1213 and 1215 North 32nd Street for the
purpose of two single-family attached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 1213 and 1215 North 32nd Street for the
purpose of two single-family attached dwellings, upon certain terms and conditions.

REASON: The applicant is proposing to construct two single-family attached dwellings. The properties are
currently located in the R-6 Single-Family Attached District. The proposal would not meet the side yard
requirements for the R-6 District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,
the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its December 2, 2019, meeting. A letter outlining the
Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The proposed dwellings are located in the Church Hill North neighborhood in the East
Planning District, on North 32nd Street between R and S Streets. The properties are each comprised of 0.043
acres (1,860 SF) and are currently improved with vacant 1-story single-family dwellings.

The City of Richmond's current Master Plan designates the subject property for Single-Family Medium Density
land use which includes, "...single family and two family dwellings, both detached and attached, at densities of
8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks
and recreation facilities, and limited public and semi-public uses" (p.133). The density of the proposed
dwellings would be approximately 23 units per acre.

All adjacent properties are located within the same R-6 District as the subject property. A mix of residential,
vacant and some institutional, office and commercial uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any
impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and
publishing, mailing and posting of public notices.
