O & R Request

DATE: November 8, 2019

EDITION: 1

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor.)

RE: To authorize the use of the property known as 1000 West Franklin Street for the purpose of a multi-family development containing up to 18 dwelling units, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the use of the property known as 1000 West Franklin Street for the purpose of a

multi-family development containing up to 18 dwelling units, upon certain terms and conditions.

REASON: The Special Use Permit would allow a multi-family development within an R-6 Single-Family Attached zoning district. The application calls for the conversion of a historic building and new infill development over an adjacent parking lot to be used for a combined total of 18 multi-family dwelling units with off-street parking, which would not be permitted by the underlying zoning. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 6, 2020, meeting.

BACKGROUND: As a part of the West Franklin Street City Old and Historic District, the subject property consists of a 12,451 SF (.30 acre) parcel of land improved with a three-story, historic building constructed, per tax assessment records, in 1895 as a single-family dwelling. The property is located in The Fan, adjacent to the Monroe Park Campus of VCU, at the corner of West Franklin and North Harrison Streets.

The City's Master Plan recommends Single-Family (Medium-Density) land use for the subject property. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-5A, R-6 and R-7.

Properties to the west and south are within the same R-6 District as the subject property. Properties to the north are located in the B-4 Central Business District. Properties to the east are located in the R-73 Multi-Family Residential District. A mix of single- and multi-family residential, institutional, office, mixed-use, and commercial land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
