O & R Request

DATE: November 8, 2019

EDITION: 1

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor)

RE: To authorize the special use of the property known as 1512 N. 27th Street for the purpose of a two-family detached dwelling on a newly created lot, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1512 N. 27th Street for the purpose of a two-family detached dwelling on a newly created lot, upon certain terms and conditions.

REASON: The Property is located in the R-5 Single-Family Residential District. In regard to this district, Section 30-410.1 (Permitted Principal Uses) of the Zoning Ordinance states that only single-family detached dwellings are allowed in the R-5 District. Thus the proposed two-family dwelling is not a permitted principal use in the R-5 Single-Family Residential District and a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 6, 2020, meeting.

BACKGROUND: The subject property referenced as 1512 North 27th Street is a mid-block lot with 60 feet of street frontage and 130 feet of depth, located in the Woodville neighborhood of the East Planning District. A single-family detached dwelling is located along the western property line. The proposed Special Use would authorize a two-family detached dwelling on a lot created by subdividing the subject property. The new lot would have approximately 28 feet of street frontage and 130 feet of depth.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. The proposed development would create an overall density of approximately 17 units per acre.

The subject property, along with those properties located to the north, south and west, is located in the R-5 Single-Family Residential District. These properties predominately contain single-family dwellings along with a few vacant properties. The properties located across N. 27th Street to the east are in the B-2 Community Business District and contain business uses as well as multi-family housing.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
