### **O & R Request**

**DATE:** September 18, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Lenora Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the properties known as 2615, 2617, and 2619 West Cary Street for the purpose of use as tourist homes, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the properties known as 2615, 2617, and 2619 West Cary Street for the purpose of use as tourist homes, upon certain terms and conditions.

**REASON:** The applicant is requesting a special use permit to authorize the use of three, contiguous, two-family attached dwellings, as tourist homes as defined by the City's zoning ordinance. The B-6 Mixed-Use Business District does not permit tourist homes. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 3, 2020, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject properties at 2615, 2617, and 2619 West Cary Street consist three parcels of land at 2,434, 2,437, and 2,424 SF, respectively. Together, the parcels amount to .17 acres of land improved with two story, residential buildings. The buildings were constructed, per tax assessment records, in 1920 and

are located in the Near West Planning District.

The City of Richmond's current Near West Planning District Land Use Plan designates a future land use category for the subject property as Community Commercial. Primary uses include office, retail, personal service and other commercial and service uses, intended to provide the shopping and service needs of residents of a number of nearby neighborhoods or a section of the City. As compared to Neighborhood Commercial, this category includes a broader range of uses of greater scale and intensity, with greater vehicular access and orientation, but that are also compatible with nearby residential areas. Typical zoning classifications that may accommodate this land use category: B-2, UB, and UB-2. Nearby properties are a combination the same B-6 zone, with R-7 (Residential Single & 2 Family Urban) zones to the north and south on adjacent blocks. A mix of residential, commercial, and industrial land uses are present in the vicinity. The property is located within the Fan neighborhood.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

**BUDGET AMENDMENT NECESSARY:** No

**REVENUE TO CITY:** \$2,400 application fee.
