RE: To authorize the special use of the property known as 1512 N. 23rd Street for the purpose of a single-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1512 N. 23rd Street for the purpose of a single-family detached dwelling, upon certain terms and conditions.

REASON: The proposed single-family detached dwelling will be built on a parcel that does not meet the minimum lot width or area required in the R-6 Single-Family Attached Residential District. Therefore, a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 3, 2020, meeting. A letter outlining the Commission’s recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property is .153 acres (6,648 square feet), 53 feet in width and contains a single-family dwelling.

The City of Richmond’s Master Plan designates a future land use category for the subject property as Single-Family Medium Density. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-5A, R-6 and R-7.

The open area to the east of the existing single-family dwelling formally contained a single-family structure that was destroyed by fire. After the demolition of this structure the property was merged with the adjacent property. It is the applicant’s desire to again divide the parcel and develop the property with a two story single-family detached dwelling.

The subject property, as well as all adjacent properties, are located in the R-6 Single-Family Attached Residential District and contain similar uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
