RE: To authorize the special use of the property known as 4647 Arrowhead Road for the purpose of a wildlife rehabilitation facility accessory to a single-family dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 4647 Arrowhead Road for the purpose of a wildlife rehabilitation facility within a single-family dwelling, upon certain terms and conditions.

REASON: The property is located in the R-2 Single-Family Residential District. In this district, the keeping or raising of domestic animals for noncommercial purposes is a permitted accessory use. However, a wildlife rehabilitation facility is not a permitted accessory use. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 3, 2020, meeting.

BACKGROUND: The subject property consists of approximately 1 acre of land containing a 3,200 SF single-family dwelling. It is located in the Stratford Hills Neighborhood within the City's Huguenot Planning District, on Arrowhead Lane, near its intersection with Oxford Parkway.

The proposed special use will consist of rehabilitation rooms attached to the rear of the dwelling and an aviary in the back yard. The nearest rear yard neighboring dwelling is located approximately 456 feet to the south. The next door neighboring dwelling is located approximately 173 to the east.

The City of Richmond's Master Plan designates the subject property for Single-Family (Low Density) uses. Primary use is single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses.

All properties surrounding the subject property are located within the same R-2 Single-Family Residential zoning district. The properties in the vicinity of the subject property all contain single-family dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
