RE: To authorize the use of the property known 1301 North Hamilton Street for the purpose of permitting a retail use incidental to the primary office use on site, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the use of the property known 1301 North Hamilton Street for the purpose of permitting a retail use incidental to the primary office use on site, upon certain terms and conditions.

REASON: The subject property is located in the R-73 Multifamily Residential District. Offices are a permitted principal use in this district provided that no retailing, wholesaling or servicing of merchandise shall be permitted on the premises nor shall the storage or display of merchandise to be serviced or offered for sale elsewhere be permitted on the premises. Thus the proposed accessory retail use is not a permitted use and a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 18, 2020, meeting.

BACKGROUND: The subject property consists of 1.263 acres and is generally known as 1301 North Hamilton Street. The property is on the corner of North Hamilton and Cutshaw Avenue and abuts the I-195 corridor located to the east. Improvements on the property are a 26,448 square foot office building and a paved parking area providing 73 parking spaces.

The City of Richmond's Pulse Corridor Plan designates a future land use category for the subject property as Transitional. Specifically, the plan notes that these areas provide a gradual transition between intense commercial areas and primarily single-family residential areas. Primary uses are noted as office and multi-family residential with permitted secondary uses of retail, personal service, cultural, institutional and government uses.

The proposed retail area will be for the use of the Boy Scouts of America and utilize approximately 3,634 square feet of floor area. Any associated signage would not exceed 10 square feet. The retail area will function as an accessory use to the Boy Scouts of America office located in the same building. The property has ample parking and no offsite parking impact is anticipated by the granting of this special use permit.

Properties abutting to the north, west and south contain a mix of commercial, multi-family residential, institutional and office uses. The I-195 Downtown Expressway abuts to the east. The property abutting to the south contains a surface parking lot and is under the same ownership as the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
