RE: To authorize the special use of the property known as 1320 N. 31st Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1320 N. 31st Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

REASON: Two-family detached homes are allowed in the R-6 Single-Family Attached residential district provided that a minimum lot area of 6,000 square feet and a minimum of 50 feet of width is met. The subject property is a lot that is 43 feet wide and 140 feet deep, for a total area of 5,780 square feet.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 3, 2020, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 5,780 SF parcel of land and is vacant. It is located in the Church Hill North Neighborhood within the City's East Planning District, midblock of North 31st Street between S and T Streets.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses in this category are "single-family detached dwellings at densities between 8 and 20 units per acre." (See page 133, Richmond Master Plan.) The density of the parcel if developed as proposed would be a ratio of approximately 23 units per acre. There are also a variety of general housing goals contained in the Master Plan Neighborhoods and Housing chapter that are applicable to the request. These goals include, among other things, recognition of the need for the continued creation of market rate rental housing and a desire for neighborhoods to provide a variety of housing choices.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Residential zoning district. Within the area of the subject property, three properties to the south and two properties to the north are vacant. Those properties in the vicinity with improvements contain a mixture of single-family detached and single-family attached structures.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
