ORD. OR RES. No.

PURPOSE: To amend and authorize the special use of the property known as 1100-1102 West Cary Street and 20-22 South Harrison Street for the purpose of certain enumerated uses, to include an outdoor pergola in accordance with this ordinance, upon certain terms and conditions.

REASON: The applicant is requesting a special use permit to authorize the amendment to an existing Special Use Permit which authorized certain enumerated uses, to authorize the use of an existing outdoor pergola. The pergola was constructed after the existing Special Use Permit was granted. An amendment to the special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,

the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 3, 2020 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting

BACKGROUND: The subject properties consist of a parcel totaling 4,598 SF or .10 acres of land improved with a mixed-use building, constructed, per tax assessment records, in 1900 and is located in the Near West Planning District. An ordinance adopted in 2003 allowed for a mix of uses on the property including residential and a restaurant with outdoor dining. A permanent outdoor pergola was constructed for the outdoor dining area after the adoption of the 2003 ordinance. The property is located within the Fan neighborhood.

The City of Richmond's Master Plan designates the subject property for Single Family Medium Density land use. "Primary uses are single family and two family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses."

The zoning of the subject property is R-63 Multi Family Urban Residential, which permits residential uses.

Nearby properties are located in the same R 63 district, with Urban Business and R 53 Multifamily to the West and East respectively. A mix of single, two, and multi-family residential, institutional, commercial and office land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
