To amend ch. 13, art. V, div. 3 of the City Code by adding therein new §§ 13-203 and 13-204, to concerning establishing fees for employees of the City's Department of Fire and Emergency Services who conduct Fire Prevention Code inspections on commercial and institutional properties in the City, and to amend Appendix A of the City Code by adding therein new fees for City Code § 13-203, for the purpose of establishing the fees to be charged for employees of the City's Department of Fire and Emergency Services who conduct Fire Prevention Code inspections on commercial and institutional properties in the City.

THE CITY OF RICHMOND HEREBY ORDAINS:

§ 1. That Chapter 13, Article V, Division 3 of the Code of the City of Richmond (2015) be and is hereby amended and reordained by **adding therein new** sections numbered 13-203 and 13-204 as follows:

Sec. 13-204. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to

them in this section, except where the context clearly indicates a different meaning:

Civilian Fire Safety Inspection Program means the type of fire safety inspection program based on the use of an unsworn person or persons designated by the Fire Marshall to (i) inspect commercial and institutional buildings according to the priorities of the Fire Marshall, (ii) provide fire safety education to commercial or institutional building owners, managers, and occupants, and (iii) inquire into third party reports of fire safety equipment deficiencies in commercial or institutional buildings.

Civilian fire safety inspector means the unsworn person or persons designated by the Fire Marshall to conduct fire safety inspections pursuant to the procedures and requirements of the Civilian Fire Safety Inspection Program.

Alarm company means and includes any business operated for profit, engaged in the installation, maintenance, alteration, monitoring or servicing of alarm systems or which coordinates a response to such alarm systems.

Alarm permit means a permit issued by the City allowing the operation of an alarm system within the city.

Sec. 13-204. Commercial property Fire Prevention Code inspections.

A fee as set forth in Appendix A to this Code shall be assessed by the City, through the Department of Fire and Emergency Services, for each employee who provides

Alarm signal means a detectable signal, either audible or visual, generated by an alarm

§ 2. That Appendix A of Code of the City of Richmond (2015) be and is hereby amended and reordained by **adding therein new** fees for section 13-302 of the Code of the City of Richmond (2015) as follows:
