**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the properties known as 1705, 1707, 1711 Westover Hills Boulevard and 4922 New Kent Road for the purpose of allowing certain retail, office, and commercial uses accessory to a church, upon certain terms and conditions.

**REASON:** The subject properties are in the R-5 Single-Family Residential zoning district. **BACKGROUND:** The subject properties comprise the Westover Hills Methodist Church, parsonage, and associated property, located on Westover Hills Boulevard between New Kent Road and King William Road, in the Forest Hill Neighborhood within the City's Old South Planning District.

The City of Richmond's Master Plan designates the subject property for Single-Family (Low Density) uses. Primary use is single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses.

All properties surrounding the subject property are located within the same R-5 Single-Family Residential zoning district. Within the area of the subject property, properties are improved with single-family detached dwellings.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
