RE: To authorize the special use of the property known as 3131 Kensington Avenue for the purposes of five single-family attached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3131 Kensington Avenue for the purposes of five single-family attached dwellings, upon certain terms and conditions.

REASON: The application wishes to subdivide the property at 3131 Kensington Avenue and construct five,

single-family attached dwellings. The application, as submitted, does not meet certain feature requirements of the underlying R-6 Single-Family Attached Residential District including lot area, front yards, side yards, and height. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its September 8, 2020, meeting.

BACKGROUND: The subject property consists of an 11,979 SF, or .28 acre unimproved parcel of land, and is a part of the Museum District neighborhood in the Near West Planning District at the intersection of Kensington Avenue and Cleveland Street. The property is also located in the West of the Boulevard Overlay District.

The City of Richmond's Master Plan designates the subject property for Single-Family Medium Density land use. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-5A, R-6 and R-7. (City of Richmond, Master Plan, p. 133).

The current zoning for this property is R-6 Single-Family Attached Residential. Surrounding properties are located in the same district. The existing land uses in the vicinity are comprised of single-, two- and multi-family residential and commercial land uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
