RE: To authorize the special use of the property known as 5312 Wingfield Street for the purpose of a single-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 5312 Wingfield Street for the purpose of a single-family detached dwelling, upon certain terms and conditions.

REASON: The applicant is requesting relief from the front yard set-back requirement of Section 30-630.2(a) (1) of the City's zoning ordinance which calls for front yards to have a minimum depth of not less than the average depth of the front yards of the adjacent buildings. The dwelling does not meet these requirements. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its September 8, 2020, meeting.

BACKGROUND: The subject property consists of a 6,500 SF or .15 acre parcel of land improved with a 1,568 SF building recently constructed in 2019. After construction was completed, it was determined that the new building was constructed 4.2 inches off the required front yard depth. The proposed special use permit would remedy this setback issue.

The property is located in the Fulton neighborhood within the City's East Planning District. The City of Richmond's Master Plan designates the subject property for Single-Family (Low Density) land use which features primarily "...single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R-5."(City of Richmond Master Plan)

Adjacent properties are the same R-5 district as the subject property. Single-family and vacant land uses predominate the immediate vicinity of the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
