RE: To authorize the special use of the properties known as 1831 and 1829 West Cary Street for the purpose of an outdoor dining area, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 1831 and 1829 West Cary Street for the purpose of an outdoor dining area, upon certain terms and conditions.

REASON: The applicant is proposing outdoor dining at the front of 1829 West Cary Street and to the rear of the building located at 1831 West Cary Street. The properties are located in the Urban Business Zoning District. Section 30-433.1(21)(a) of the Zoning Ordinance states that “no deck, patio, terrace or other area outside a completely enclosed building and used for the service or accommodation of patrons shall be situated within 100 feet of any property in any R district.” Adjacent properties are zoned R-7 Single and Two-Family Urban Residential. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,

the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 19, 2020, meeting.

BACKGROUND: The subject properties consist of a combined 10,135 SF, or .232 acre parcels of land improved with a 4,514 SF 2 story building constructed, per tax assessment records, in 1900 and a surface parking lot at 1829 West Cary Street built in 1985. Both parcels are a part of the Fan neighborhood in the Near West Planning District. The properties front Cary Street between South Granby and South Allen Avenue.

The City of Richmond's Master Plan designates the subject property for Single Family (Medium Density) land use. Primary uses are single family and two family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-5A, R-6 and R-7 (City of Richmond, Master Plan, p. 133).

The current zoning for this property is UB Urban Business.

Properties to the West along West Cary Street are located in the same Urban Business District as the subject property while properties to the East along West Cary Street, and towards the South, are zoned R-7 Single and Two-Family Urban Residential. A mix of single, two, and multi-family residential, commercial, mixed use, and institutional land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
