### **O & R Request**

**DATE:** November 12, 2020

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(**This in no way reflects a recommendation on behalf of the Mayor.**)

**THROUGH:** Lenora G. Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 406 Rear West Franklin Street, for the purpose of a two unit tourist home, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 406 Rear West Franklin Street, for the purpose of a two unit tourist home, upon certain terms and conditions.

**REASON:** The request is to authorize the conversion of a two-family detached dwelling into a two unit tourist home. Tourist homes and short-term rentals are permitted uses in the RO-3 Residential Office District. However, as proposed, the tourist homes are not able to meet all feature requirements of the zoning district. Therefore a special use permit is required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 4, 2021, meeting.

**BACKGROUND:** The subject property is 40 feet in width and contains 6,213 square feet. Improvements to the property are a three-story building that fronts West Franklin Street and a two-story carriage house fronting the alley. It is the carriage house that is the subject of this special use request. The property is located in the RO -3 Residential Office District where tourist homes provided that access to the units is provided exclusively from within the building. The existing structure provides exterior access to the living units. The zoning ordinance requires one parking space per unit and the proposal request elimination of this requirement.

The City of Richmond's Pulse Corridor Plan designates the subject property for Downtown Mixed-Use.

*Central business district of the Richmond region features high-density development with office buildings,*

*apartments, and a mix of complementary uses, including regional destinations. Higher-density pedestrian- and transit-oriented development encouraged on vacant or underutilized sites; new development should be urban in form and may be of larger scale than existing context. Active commercial ground floor uses required on street-oriented commercial frontages. Active ground floor uses and design required on priority street frontages. Driveway entrances required to be off alleys whenever possible; new driveways prohibited on street-oriented commercial and priority street frontages. Little to no setback of new development unless to create pedestrian-oriented amenities like plazas and outdoor dining. Surface parking prohibited as a principal use; when surface parking is provided as an accessory use, it should be located to the rear of buildings and screened by shade trees. Parking requirements are substantially less in these areas than other areas of the city and are largely eliminated.*

The properties to the east, west, and south of the subject property are located within the same RO-3 Residential Office zoning district. Adjacent and surrounding properties to the north are located in the B-4 Central Business District. Within the area of the subject property, properties to the east and west are occupied by professional offices. Other uses in the vicinity include residential, office, cultural, and hospitality uses.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
