To designate the property known as 3100 Nine Mile Road as a revitalization area pursuant to Va. Code § 36-55.30:2.

WHEREAS, pursuant to section 36-55.30:2 of the Virginia Housing Development Authority Act (the “Act”), as set forth in sections 36-55.24 through 36-55.52 of the Code of Virginia (1950), as amended, the governing bodies of localities may by resolution designate an area within such locality as a revitalization area for the purpose of facilitating financing by the Virginia Housing Development Authority to assist private entities with the development of mixed use and mixed income projects; and

WHEREAS, pursuant to the Act, in any revitalization area, the Virginia Housing Development Authority may provide financing for one or more economically mixed projects and, in conjunction therewith, any “nonhousing buildings,” as defined by section 36-55.26 of the Code of Virginia (1950), as amended, that are incidental to such project or projects or are determined by the governing body of the locality to be necessary or appropriate for the revitalization of such area or for the industrial, commercial or other economic development thereof; and

WHEREAS, the Council believes that the property known as 3100 Nine Mile Road, identified as Tax Parcel No. E000-0955/001 in the 2020 records of the City Assessor and as shown on the map entitled “Creighton Court Redevelopment Site Plan,” prepared by Urban Design Associates, and dated October, 2020, a copy of which is attached to this resolution, is an area (i) that is is blighted, deteriorated, deteriorating or, if not rehabilitated, likely to deteriorate by reason that the buildings, improvements or other facilities in such area are subject to one or more of the following conditions: dilapidation; obsolescence; overcrowding; inadequate ventilation, light or sanitation; excessive land coverage; deleterious land use; or faulty or inadequate design, quality or condition; and (ii) in which private enterprise and investment are not reasonably expected, without assistance, to produce the construction or rehabilitation of decent, safe and sanitary housing and supporting facilities that will meet the needs of low and moderate income persons and families in such area and will induce other persons and families to live within such area and thereby create a desirable economic mix of residents in such area; and
