§ 1. **Finding.** Pursuant to section 30-1050.1 of the Code of the City of Richmond (2020), as amended, the Council hereby finds that the special use set forth in and subject to the terms and conditions of this ordinance will not (i) be detrimental to the safety, health, morals and general welfare of the community involved, (ii) tend to create congestion in streets, roads, alleys and other public ways and places in the area involved, (iii) create hazards from fire, panic or other dangers, (iv) tend to overcrowding of land and cause an undue concentration of population, (v) adversely affect or interfere with public or private schools, parks, playgrounds, water supplies, sewage disposal, transportation or other public requirements, conveniences and improvements, or (vi) interfere with adequate light and air.

**DATE:** March 12, 2021 **EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor)

**THROUGH:** J.E. Lincoln Saunders, Acting Chief Administrative Officer

**RE:** To authorize the special use of the property known as 1500 North Lombardy for the purpose of  
four wall signs, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1500 North Lombardy for the purpose of  
four wall signs, upon certain terms and conditions.

**REASON:** The applicant is requesting a special use permit to allow for the continued use of four illuminated  
wall signs that are attached on the sides of the bell tower connected to the Belgian Building on the Virginia  
Union University campus. The existing signage exceeds the sign area permitted in the I- Institutional District.  
Additionally, the existing signs are located within the Belgian Building City Old and Historic District. The  
Commission of Architectural Review (CAR) denied the request for a Certificate of Appropriateness for the  
signage because it does not meet the City’s historic preservation guidelines. A special use permit is therefore  
required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance,  
the City Planning Commission will review this request and make a recommendation to City Council. This item  
will be scheduled for consideration by the Commission at its May 3, 2021, meeting.

**BACKGROUND:** The subject property consists of a 27.21 acre parcel of developed land that contains  
numerous academic and residential university buildings. The property is located in the Virginia Union  
neighborhood and is generally situated between North Lombardy Street and Brook Road to the east, West  
Graham Road to the north, additional Virginia Union University land and residential parcels to the west and I-  
95/I-64 to the south.

The subject property is part of the Virginia Union University Campus, which is located in the I- Institutional Zoning District. The four signs are presently erected on a 165-foot tower that is part of the Belgian Building and is designated as the Belgian Building City Old & Historic District. The Zoning Ordinance permits a sign area of up to 32 square feet for signs visible from any street frontage, and where two or more main buildings are located on a lot (which is the case here), each building may be permitted to have a wall sign not exceeding 12 square feet in area.

Richmond 300 recommends a future land use of “Institutional” for the property, with primary uses recommended being institutional, cultural, government and open space. The property is also within the proximity of the VUU/Chamberlayne Neighborhood Node. The plan envisions the node becoming more pedestrian-oriented with streetscaping, pedestrian lighting and signage being added to North Lombardy Street and surrounding streets. The portion of N Lombardy Street that abuts the property is designated as a “major mixed-use street” on the Street Typologies Map in Richmond 300.

Objective 3.1 of Richmond 300 is to “preserve culturally, historically, and architecturally significant buildings, sites, structures, neighborhoods, cemeteries, and landscapes that contribute to Richmond’s authenticity.” Strategy k. under Objective 4.1 of Richmond 300 calls on the City to “promote an attractive environment by minimizing visual clutter and confusion caused by a proliferation of signage, ensuring that public and private signage is appropriately scaled to the pedestrian environment” in order to create and preserve high-quality, distinctive, and well-designed neighborhoods and nodes.

Additional institutional uses that are part of the Virginia Union University campus are located to the east and northwest of the subject property. A Richmond Police Department Training Facility exists to the north of the subject property. Single-family and multi-family uses exist to the west and Interstate 95/64 exists to the south of the subject property.
