DATE: March 29, 2021

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor.)

RE: To authorize the amendment of Ord. 2011-9-23 to authorize the property known as 405 Brook Road for the operation of a restaurant and brewery, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the amendment of Ord. 2011-9-23 to authorize the property known as 405 Brook Road for the operation of a restaurant and brewery, upon certain terms and conditions.

REASON: The subject property is located in the R-02 Residential Office where restaurants and breweries are not permitted uses. On February 28, 2011 City Council approved Ord. 2011-9-23 authorizing a restaurant use on the ground floor of the structure with residential use on the second floor. The proposal requests the additional authorization of a brewery on the ground floor. Therefore a special use permit amendment is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 17, 2021 meeting.

BACKGROUND: The subject property is located on the northeast side of Brook Road near the intersection with West Marshall Street 31 feet in width and 2,263 square feet in area. The improvements consist of a 4,610 square foot two-story structure build in 1910 that encompasses the entire parcel. The Special Use Permit authorizing the restaurant use also waived parking requirements for both the commercial and residential uses.

The brewery operations will utilize ground floor area in the rear of the building and a tasting room and restaurant will operate in the front of the building. The second floor shall remain as a residential use.

The Richmond 300 Master Plan designates the subject property for Neighborhood Mixed-Uses. Primary uses are single-family houses, accessory dwelling units, duplexes, small multi-family buildings and open space. Secondary uses include retail, office, and personal services. The Master Plan also notes that the property is located in the Downtown-Jackson Ward Priority Growth Node which includes a goal to provide for business growth.

The adjacent properties to the east and west are also located in the RO-2 district and consist of a mix of residential and office uses. To the north of the subject property is an R-6 Single Family Attached Residential district comprised primarily of single family attached and detached dwellings. South across West Marshall Street is a B-4 Central Business district which contains a mix of uses including commercial and multi-family

uses.
