RE: To authorize the special use of the property known as 3511 P Street, for the purpose of a community center, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3511 P Street, for the purpose of a community center, upon certain terms and conditions.

REASON: The request is to authorize the use of a former church building as a community center that is located in the R-5 Single-Family Residential zoning district. The proposal is not a permitted use in this zoning district. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 7, 2021, meeting.

BACKGROUND: The subject property is an 11,250 square foot (.258 acre) parcel improved with a vacant church building, a vacant day nursery building, and a vacant utility building. It is located in the R-5 Single-Family Residential District where the proposed community facility does not meet the criteria for a permitted use. Specifically, the proposed use shall serve residents who live outside the adjoining neighborhood and the building is located within 50 feet of an adjoining lot that is located in a residential district.

The City of Richmond's Master Plan designates the subject property for Single-Family (Low Density) uses. Primary use is single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses.

All properties surrounding the subject property are located within the same R-5 Single-Family Residential zoning district. Within the area of the subject property, those properties with improvements contain single-family detached dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

BUDGET AMENDMENT NECESSARY: No.
