**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor)

**THROUGH:** J.E. Lincoln Saunders, Acting Chief Administrative Officer

**FROM:** Kevin J. Vonck, Acting Director, Dept. of Planning and Development Review

**RE:** To authorize the special use of the property known as 706 Libbie Avenue for the purpose of an office use, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 706 Libbie Avenue for the purpose of an office use, upon certain terms and conditions.

**REASON:** The applicant is requesting to authorize the special use of the property known as 706 Libbie Avenue for the purpose of constructing a new two story office building with accessory parking. The property is located in an R-4 Single Family Residential District, which does not permit the proposed office use. Additionally, feature requirements of the R-4 District, including parking and yards (setbacks) are not met for the proposed office building. Therefore, a special use permit is necessary to authorize the proposed office building.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 4, 2021, meeting.

**BACKGROUND:** The subject property consists of a single parcel of land that has a lot area of 8,145 square feet (0.187 acres) and is currently vacant. The property is located in the Westhampton neighborhood at the southwest corner of Libbie Avenue and Kensington Avenue.

The subject property is located within the R-4 Single Family Residential District. The proposed office use is not permitted in the R-4 Single Family Residential District, and the yards (setbacks) and parking for the proposed office building do not meet the requirements of the R-4 Single Family Residential District.

Richmond 300 recommends a future land use of “Community Mixed Use” for the property. The development style recommended for Community Mixed Use is development that generally complements the existing context with continuance or enhancement of the gridded street pattern to increase connectivity. The intensity recommended for Community Mixed Use is two to six story buildings, based on street widths and depending on the historic context and stepping down in height adjacent to residential areas, as necessary. New buildings that are taller than historic buildings should stepback from the build to line after matching the height of the predominant cornice line of the block. Ground floor uses should engage and enliven the street, with windows,

doors, storefronts and other features that allow transparency and interaction between the building and the street. The primary uses recommended for Community Mixed Use are retail/office/personal service, multi-family residential, cultural, and open space. Pedestrian, bicycle, and transit access must be prioritized and bike parking should be provided.

The property is also within the Westhampton Neighborhood Node, which is envisions new development on underdeveloped parcels to be in a manner that complements and enhances to existing village scale feel of the area. The portion of Grove Avenue that this property fronts on is designated as both a “Great Street” and a “Major Mixed Use Street” on Richmond 300’s “Great Streets and Street Typologies Map.”

Single family uses are located to the west, south, and east of the subject property. A surface parking area is located to the north of the subject property.
