NOW, THEREFORE,

THE CITY OF RICHMOND HEREBY ORDAINS:

§ 1. That, as required and pursuant to the authority granted by section 15.2-1812 of the Code of Virginia (1950), as amended, and all other applicable law, and subject to the availability of funds, the Chief Administrative Officer is hereby authorized to cause the removal of the Monuments from their current locations in accordance with the following:

A. **Definitions.** For the purposes of this ordinance, the terms defined below shall have the meanings ascribed to them by this subsection (A).

1. **Monument.** For the avoidance of doubt, the word “Monument” means a monument or memorial identified in the document entitled “Monuments to Be Removed,” a copy of which is attached to and made a part of this ordinance, consisting of either a statue or a platform, or both.
2. **Statue.** “Statue” means that part of a Monument representing the likeness of an individual, animal, or other object, which may be situated upon a platform.
3. **Platform.** “Platform” means the solid base of a Monument permanently affixed to City-owned real property, made of marble, concrete, or other solid material, upon which a statue may be situated.

B. **Timing of Removal.** The Chief Administrative Officer shall cause the removal of the Monuments promptly after the end of the offering period set forth in section 2 of this ordinance.

C. **Phases of Removal.** Upon compliance with this ordinance and all other applicable law, and subject to availability of funds, the Chief Administrative Officer may cause the removal of the Monuments in the following phases:

1. **Phase One.** The Chief Administrative Officer first shall cause the removal of each statue as soon as possible after the end of the offering period set forth in section 2 of this ordinance, if the Chief Administrative Officer, or the designee thereof, determines that removal of the entire Monument is not feasible at that time.
2. **Phase Two.** After causing the removal of the statues as required by this subsection (C) and subsection (D), the Chief Administrative Officer then shall cause the demolition or other removal of the platform as soon as practicable.

- D. **Temporary Disposition of Monuments.** The Chief Administrative Officer shall cause each Monument or, as the case may be, the statues, platforms, or materials from the platforms, to be transferred to and stored on such City-owned property as may be permitted in accordance with section 8-12 of the Code of the City of Richmond (2020), as amended, or on such property not owned by the City as may be permitted in accordance with applicable law until such time as the Council determines the final disposition of the Monuments or, as the case may be, the statues, platforms, or materials from the platforms, by a resolution adopted in accordance with subsection (E).
- E. **Final Disposition of Monuments.** Pursuant to section 15.2-1812 of the Code of Virginia (1950), as amended, the Council, by the adoption of a resolution, may accept such offer or offers submitted to the City during or after the time period specified in section 2 of this ordinance or otherwise direct the final disposition of the Monuments after the offering period set forth in section 2 of this ordinance has expired.

§ 2. That, as required by and pursuant to the authority granted by section 15.2-1812 of the Code of Virginia (1950), as amended, the Council hereby offers the Monuments for relocation and placement to museums, historical societies, governments, or military battlefields for a period of 30 days after the effective date of this ordinance, referred to in this ordinance as the “offering period.”

§ 3. This ordinance shall be in force and effect upon adoption.
