O & R Request

DATE: December 13, 2021

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor.)

THROUGH: J.E. Lincoln Saunders, Chief Administrative Officer

THROUGH: Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Kevin J. Vonck, Director, Department of Planning and Development Review

RE: To authorize the amendment ordinance 2009-45-125, adopted June 22, 2009 which authorized the amendment of ordinance 2008-192-194, adopted on September 8, 2008 authorizing the special use of the property known as 305 North 18th Street for the purpose of a mixed-use, multi-family dwelling in order to allow the modification of the site plan and on-site parking requirements, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the amendment ordinance 2009-45-125, adopted June 22, 2009 which authorized the amendment of ordinance 2008-192-194, adopted on September 8, 2008 authorizing the special use of the property known as 305 North 18th Street for the purpose of a mixed-use, multi-family dwelling in order to allow the modification of the site plan and on-site parking requirements, upon certain terms and conditions.

REASON: The subject property is located in the M-1 Light Industrial Zoning District and dwelling units are not permitted uses in this district. Ordinance number 2008-192-194 authorized 192 dwelling units and required a swimming pool and clubhouse to be located on the roof of the proposed structure. Ordinance number 2009-45-125 amended the special use to remove this requirement for rooftop amenities. The current proposed

amendment seeks authorization to construct an on-site swimming pool and deck as well as to reduce the minimum on-site parking requirements. Therefore a special use permit amendment is requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 7, 2022 meeting.

BACKGROUND: The subject property has a principal frontage on North 18th Street as well as frontage along East Marshall Street to the north, East Broad Street to the south, and North Cedar Street to the east. The property is approximately 1.54 acres and is improved with a structure containing 204 dwelling units located above ground floor commercial uses.

Residential uses are not authorized in the underlying M-1 Light Industrial Zoning District and a special use of the property was granted for this purpose. Approximately 8,000 square feet of commercial area is located along the ground floor East Broad Street and North 18th Street frontages. Parking is provided at a ratio of one space per dwelling unit. A total of 173 parking spaces are provided on-site and 31 spaces are located off-site within a 1,000 foot radius.

The Richmond 300 Master Plan recommends Destination Mixed Uses for the Property. Primary uses include multi-family residential, retail, and office uses.

Properties to the north, south and east are located in the B-5 Central Business District and contain a variety of uses including mixed use buildings, industrial uses, single-family dwellings, offices, and a park.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
