**O & R Request**

**DATE:**           January 31, 2022

**EDITION:**     1

**TO:**             The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** J.E. Lincoln Saunders, Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**RE:**             To authorize the special use of the property known as 5 North Colonial Avenue for the purpose of a multifamily dwelling, containing up to three dwelling units, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 5 North Colonial Avenue for the purpose of a multifamily dwelling, containing up to three dwelling units, upon certain terms and conditions.

**REASON:** The subject property is located in the R-6 Single-family Attached Residential zoning district. Multifamily dwellings are not permitted uses in this district. Furthermore, parking is generally required at a ratio of one off-street parking space per dwelling unit. The proposed development provides two off-street parking spaces. Therefore a special use permit is required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 21, 2022 meeting.

**BACKGROUND:** The subject property is located midblock on the eastern side of North Colonial Avenue between Ellwood Avenue and Floyd Avenue. Public alleys run along the northern and eastern property lines. The subject property is each 36 feet wide with a depth of 100 feet for a total area of 3,627 square feet. The subject property is improved with a two-story 2,496 square foot two-family (converted) dwelling which will be demolished as part of this proposal. The Assessor's office deems the condition of the structure as normal for age.

The proposed three unit multi-family dwelling will be in harmony with the existing uses in the neighborhood. Within the surrounding area, there are four multi-family buildings along with a mix of smaller multi-family, one, and two-family homes.

The proposed project conforms to the recommendations of the Richmond 300 Master Plan which designates the subject property for neighborhood Mixed-uses. Primary uses are single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

The subject property and all adjacent properties are in the same R-6 Single-family Attached Residential District as the subject property. The adjacent property to the south contains a six unit multi-family building. The properties across North Colonial Avenue to the west contain single-family attached homes. Properties located across the alley to the north contain single, two, and three family homes.
