**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1403½ Spotsylvania Street for the purpose of two single-family attached dwellings, upon certain terms and conditions.

**REASON:** The subject property is located in the R-6 Single-family Attached Residential zoning district. Single-family attached dwellings are permitted uses in this zoning district. However not all lot features of the zoning district can be met as proposed. Therefore a special use permit has been requested.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 21, 2022 meeting.

**BACKGROUND:** The vacant subject property is located on the eastern side of Spotsylvania Street between Littlepage and Redd Streets, and an alley runs along the rear. It has 37 linear feet of street frontage, a depth of 134 feet for a total of 4,757 square feet.

The lot pattern in the vicinity varies but is generally composed of characteristically narrow urban lots. The block contains 21 lots of which nine are vacant. The improved properties contain a mix of single and two-family attached and detached dwellings.

Properties to the north and east generally contain single-family dwellings. To the west lie two large, multifamily dwellings, Oliver Crossing and Mosby Court. To the south, across Littlepage Street is Mosby Middle School.

The Richmond 300 Master Plan recommends Neighborhood Mixed Uses for the Property. Primary uses include Single-family houses accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
