DATE: March 14, 2022

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor)

THROUGH: Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

RE: To authorize the special use of the property known as 2516 East Leigh Street for the purposes of a) an age-restricted multi-family dwelling containing up to 62 dwelling units and an accessory parking area, and b) up to nine single-family attached dwellings, upon certain terms and conditions, and to repeal Ord. No. 95-151-153, adopted June 26, 1995.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2516 East Leigh Street for the purposes of a) an age-restricted multi-family dwelling containing up to 62 dwelling units and an accessory parking area, and b) up to nine single-family attached dwellings, upon certain terms and conditions, and to repeal Ord. No. 95-151-153, adopted June 26, 1995.

REASON: The applicant is requesting to authorize the special use of the property known as 2516 East Leigh

Street for the purpose of constructing nine single family attached dwellings on newly created parcels and retain the existing age-restricted multifamily use on the reciprocal parcel. Ord. No. 95-151-153, which allowed the current building to be used for 63 multifamily dwelling units for the “elderly and handicapped”, is requested to be repealed; the age-restricted multifamily use will be incorporated into the new ordinance. The property is located in an R 63 Single Family Residential District. Lot area and parking requirements are not met for neither the multi-family use nor the single-family attached dwellings. Therefore, a special use permit is necessary to authorize subdivision of the property and construction of the nine single family attached dwellings.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 2, 2022, meeting.

BACKGROUND: The subject property consists of a single parcel of land that has a lot area of approximately 54,000 square feet (1.2 acres) and is improved with a two-story senior apartment building that was originally constructed as a school. The property is located in the Church Hill neighborhood, and is bound by East Leigh Street to the south, North 26th Street to the east, M Street to the north, and single-family dwellings are located to the west that front onto North 25th Street.

The subject property is located within the R 63 Multifamily Urban Residential District. The proposed multi-family and single-family attached uses do not meet the minimum lot area requirements for the district. Additionally, the minimum parking requirement for two of the single-family attached dwellings and the age-restricted multi-family dwelling are not met.

Richmond 300 recommends a future land use of “Community Mixed-Use” for the property. The primary uses recommended for Community-Mixed are commercial, multi-family residential, cultural, and open space. Secondary uses include single-family houses, institutional, and government. The development style for Community Mixed-Use is varied depending upon historic densities and neighborhood characteristics. Future development should continue or introduce a gridded pattern of development. Buildings are generally two to six stories, based on street with and historic context. New buildings that are taller than historical buildings should incorporate step backs after matching the predominant cornice link of a block. The property is also located within the “Jefferson, Marshall & 25th” neighborhood node. This area is envisioned as being strengthened by new development on vacant parcels, increased connectivity, and re imaged institutional and park uses. New development should be in keeping with the existing character of the area.

The portion of East Leigh Street that abuts the property is designated as a “Major Mixed-Use Street.”

Single-family uses are located to the west and east of the subject property. A mix of religious, single-family, and multifamily uses are located to the south, and a government building is located to the north. Properties to the south and east are also located within the R-63 Multifamily Urban Residential District. Properties to the north are located within the RO2-PE2 Residential Office-Parking Exempt District and properties to the west are located in both the R-63 District and the UB-PE4 Urban Business-Parking Exempt District.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.
