PURPOSE: To authorize the special use of the property known as 1207 Porter Street for the purpose of a dwelling unit accessory to a single-family dwelling, upon certain terms and conditions.

REASON: The subject property is located in the R-8 Urban Residential zoning district. Accessory dwelling units are not permitted uses in this zoning district. Therefore a Special Use Permit is requested in order to complete this project.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 5, 2022 meeting.

BACKGROUND: The subject property is located on the west side of Porter Street near midblock between West 12th and West 13th Streets. Access to the rear of the property is provided via alley. The parcel is a vacant lot measuring 165 feet deep and 27 feet wide, for a total of 4,525 square feet. The applicant proposes to build a single-family detached dwelling with a detached two story garage in the rear. These are both permitted uses in the zoning district. The accessory dwelling unit is proposed to occupy the second floor area.

The Richmond 300 Master Plan recommends Neighborhood Mixed-Use land use for the property, which is described as “Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses. Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space. Secondary Uses: Large multi-family buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The surrounding block contains single- and two-family dwellings as well as a church.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
