ORD. OR RES. No.

PURPOSE: To amend and authorize the special use of the properties known as 502, 502.5, 504, 504.5, 506, 506.5, 508, 512, 512.5, 514, and 514.5, Westview Avenue for the purpose of up to 10 single-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is intending to amend an existing subdivision plan which included a total of twelve private lots for newly constructed single-family dwellings which was originally granted a Special Use Permit to

allow such lots under the current R-4 Single Family Residential zoning and its requirements regarding lot coverage, lot area and width, as well as front and side yard setbacks. The applicant wishes to reduce the number of private lots from twelve to eleven, and reduce the number of single-family dwellings from twelve to ten. A Special Use Permit amendment is therefore required.

The City of Richmond's Richmond 300 Master Plan designates these parcels as Residential, which is defined as neighborhoods "...consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature."

Intensity: Buildings are generally one to three stories. Lot sizes generally range up to 5,000 to 20,000+ sq. ft. Residential density of 2 to 10 housing units per acre.

Primary uses: single-family houses, accessory dwelling units, and open space.

Secondary Uses: small multi-family buildings (typically 3-10 units), institutional, and cultural. Secondary uses may be found along major streets. (p. 54)

The majority of properties surrounding the proposed are currently zoned R-4 Single Family Residential. The density of the proposed project, if approved, would be approximately 7.7 units per acre.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
