WHEREAS, pursuant to the Act, in any revitalization area, the Virginia Housing Development Authority may provide financing for one or more economically mixed projects and, in conjunction therewith, any “nonhousing buildings,” as defined by section 36-55.26 of the Code of Virginia (1950), as amended, that are incidental to such project or projects or are determined by the governing body of the locality to be necessary or appropriate for the revitalization of such area or for the industrial, commercial or other economic development thereof; and
