ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 109 East 17th Street for the purpose of two
two-family attached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for two two-family attached

the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its August 15, 2022 meeting.

BACKGROUND: The property is located in the Blackwell neighborhood on East 17th Street, between
Decatur and Stockton Streets. The property is currently an unimproved 5,310 sq. ft. (.12 acre) parcel of land.

The City’s Richmond 300 Master Plan designates a future land use for the subject property as Community
Mixed Use. This designation is defined as a “Residential land use is defined as a “Cluster of medium-density,
walkable commercial and residential uses that provide neighborhood services to nearby residential communities
and sometimes feature regional attractions.”

Primary Uses: Retail/office/personal service, multi-family residential, cultural, and open space.

Secondary Uses: Single-family houses, institutional, and government. (p. 58)

The current zoning for this property is R-7 Single- and Two-Family Urban Residential as are the majority of
properties in the area. The surrounding land uses include primarily residential with some commercial uses to
the west along U.S. Route 1. The proposed density of the parcel is 4 units upon .12 acres, or 33 units per acre.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any

impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
