O & R Request

EDITION: 1

THROUGH: The Honorable Levar M. Stoney, Mayor (Mayor, by Request)
(This is no way reflects a recommendation on behalf of the Mayor.)

RE: To authorize the special use of the property known as 103 Libbie Avenue for a driveway providing access from a street when alley access is available, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 103 Libbie Avenue for a driveway providing access from a street when alley access is available, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for the construction of a circle driveway with access from street when alley access is available to the rear, within the R-4 - Residential (Single Family) zone. Driveway access is only permitted from an alley when an alley is present; a Special Use Permit is therefore requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,

the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 18, 2022, meeting.

BACKGROUND: The property is located in the Westhampton neighborhood at 103 Libbie Avenue, between Linden Avenue and Matoaka Road. The property is currently 13,300sq. ft. (0.31 acre) in size and contains an existing single family home. The application requests to allow for the construction of a circle driveway providing access from Libbie Avenue.

The portion of Libbie Avenue that the project is located does not include street parking within the right-of-way. As such, the proposed driveway will not reduce street parking, as it would in other sections of the City. Further, other properties in vicinity have created their own street side parking within their own yards, indicating a lack of parking availability. The proposed driveway provides an opportunity for parking for the residents of the subject property in a more safe and aesthetic manner than the ad hoc street side parking found elsewhere in the neighborhood.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Residential. This designation is defined as a "Neighborhood consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature."

Primary Uses: Single-family houses, accessory dwelling units, and open space.

Secondary Uses: Duplexes and small multi-family buildings (typically 3-10 units), institutional, and cultural. Secondary uses may be found along major streets. The property is also located within the Westhampton Neighborhood Node.

The current zoning for this property is R-4 Residential (Single Family) and adjacent property are zoned the same. The density is unaffected by the application. The surrounding land uses include primarily single-family residential uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
