West Broad Street for the purpose of a temporary wireless telecommunications monopole and associated equipment to also include an outdoor ATM, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To amend Ordinance No. 2019-303 authorizing the special use of the property known as 3200 West Broad Street for the purpose of a temporary wireless telecommunications monopole and associated equipment to also include an outdoor ATM, upon certain terms and conditions.

REASON: The subject property is located in the TOD-1 Transit-Oriented Nodal District and a freestanding automated teller machine that is accessible from the public right-of-way is not a specified permitted use listed in this zoning district. Therefore, a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The 2.2968 acre subject property encompasses the block along the north side of West Broad Street between MacTavish Avenue and Highpoint Avenue. The property is improved with two buildings containing 287 dwelling units and ground floor commercial area. The Virginia Credit Union will be occupying a portion of this ground floor commercial area and proposes installing an ATM that shall be accessible from the exterior of the building.

The Richmond 300 Master Plan recommends Destination Mixed-Uses for the subject property. These areas are noted as Key gateways featuring prominent destinations, such as retail, sports venues, and large employers, as well as housing and open space. Located at the convergence of several modes of transportation, including Pulse BRT or other planned transit improvements. Ground floor uses should engage with, and enliven, the street.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
