RE: To authorize the special use of the property known as 3015 Midlothian Turnpike for the purpose of a single-family dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3015 Midlothian Turnpike for the purpose of a single-family dwelling, upon certain terms and conditions.

REASON: The property is located in the R-5 Single-Family Residential District. The new single-family dwelling constructed on the property is a permitted use. However, due to a surveyor error the dwelling encroaches into the required side yard on the east side. Therefore a special use permit is requested in order to authorize this use.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its November 7, 2022, meeting.

BACKGROUND: The .092 acre subject property located on the northeastern corner of Midlothian Turnpike and West Broad Rock Road. The property was previously improved with a two-story single-family dwelling which was demolished in 2006. The parcel does not meet the lot area and width requirements of the R-5 Single-Family District. However, the parcel has been deeded as a single-lot of record prior to 1948 and the lot area and width are legally nonconforming making the newly constructed single-family dwelling a permitted use.

The development plan called for the house to be centered on the property between five foot side yards. However, due to a field error by the contracted surveyor the southeast corner of the dwelling is located 4.42' from the eastern property line and the southwest corner located 6.29' from the western property line.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Residential Uses. This designation is defined as a "neighborhood consisting primarily of single-family houses on large or medium-sized lots more homogenous in nature.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
