RE: To authorize the special use of the property known as 801 East Main Street for the purpose of a

mixed-use building, with off-street parking, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 801 East Main Street for the purpose of a mixed-use building, with off-street parking, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit to authorize a mixed-use building within a B-5 Central Business District. While the use is permitted the property does not meet the current fenestration requirements within the B-5 zone which call for operable windows. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The property is located in the Central Office neighborhood on East Main Street at the corner of East Main Street and South 8th Street. The property is currently a 17,645 sq. ft. (.41 acre) parcel of land. The City's Richmond 300 Master Plan designates a future land use for the subject property as Downtown Mixed Use, which is defined as the "Central business district of the Richmond region features high-density development with office buildings, residential buildings, and a mix of complementary uses, including regional destinations in a highly walkable urban environment."

Intensity: Buildings typically a minimum height of five stories. Primary Use: Retail/office/personal service, multi-family residential, cultural, institutional, government, and open space. Secondary Uses: Not applicable. (p. 66)

The current zoning for this property is B-4 Central Business District. All adjacent properties are located primarily within the same B-4 Zone as the property in question. The area is primarily commercial offices, retail shops, and institutional uses, with some multi-family residential present in the vicinity. The proposed density is 680 units per acre.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

BUDGET AMENDMENT NECESSARY: No
