ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3206 Delaware Avenue, for the purpose of two single-family attached dwellings, upon certain terms and conditions.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The property is located in the North Highland Park neighborhood on Delaware Avenue between Meadowbridge Road and Pollock Street. The property is currently a 3,690 sq. ft. (.09 acre) parcel of land.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Residential, which is defined as neighborhoods "...consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature."

Buildings are generally one to three stories. Lot sizes generally range up to 5,000 to 20,000+ sq. ft. Residential density of 2 to 10 housing units per acre. Primary uses include single-family houses, accessory dwelling units, and open space. Secondary uses include duplexes and small multi-family buildings (typically 3-10 units), institutional, and cultural." (54)

The current zoning for this property is R 6 Single Family Attached Residential District. All adjacent properties are located within the same R 6 Residential Zone. The area is primarily single family residential, with some multi-family residential and small, neighborhood commercial uses present in the vicinity. The density of the proposed is approximately 22 units per acre.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
