RE: To authorize the special use of the property known as 1400 Perry Street for the purpose of a food bank as an accessory use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1400 Perry Street for the purpose of a food bank as an accessory use, upon certain terms and conditions.

REASON: The subject property is located in the R-8 Urban Residential District wherein a food bank is not a permitted use. Therefore, a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 6, 2023 meeting.

BACKGROUND: The 1.058 acre subject property is located on the southeast corner of Perry Street and West 14th Street. It is served by an alley that runs along the southern property line. The property is improved with a 26,736 square foot two-story building that contains a religious institutional building operated by Sacred Heart Catholic Church. Within the paved parking area, a modular structure is located to the rear of the property. This structure is replacing the structure historically used as a food bank on the property.

The Richmond 300 Master Plan recommends Neighborhood Mixed Uses for the subject property. These are urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
