RE: To authorize the special use of the properties known as 1619 West Cary Street for the purpose of up to two two-family detached dwellings.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 1619 West Cary Street for the purpose of up to two two-family detached dwellings.

REASON: The subject property is located in the R-7 Single and Two-Family Residential District. The proposed project does not meet the lot feature requirements of this zoning district. Therefore, a special use permit requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 6, 2023 meeting.

BACKGROUND: The 2,861 square foot subject property is located midblock on the south side of West Cary Street and also contains a secondary frontage on Parkwood Avenue. The existing single-story 1,020 square foot dwelling and a 318 square foot detached garage will be razed.

The proposal will subdivide the property and create two parcels 23 feet in width each with primary street frontage. A two family detached dwelling is proposed for each lot. The proposed two-family dwellings are permitted uses in the R-7 Single and Two-Family Residential District. However, as proposed the structures do not meet the lot feature requirements of the zoning district.

The Richmond 300 Master Plan designates the subject property for Community Mixed-Uses. Primary uses in this category are *Retail/office/personal service, multi-family residential, cultural, and open space*. Secondary Uses are *Single-family houses, institutional, and government*.

The properties surrounding the subject property are also located within the R-7 Single and Two-Family Residential District and contain single, two-family and multi-family dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
