**DATE:** January 30, 2023 **EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** J.E. Lincoln Saunders, Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic

**FROM:** Kevin J. Vonck, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 3600 Grove Avenue for the purpose of a multi-family building, with off-street parking, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 3600 Grove Avenue for the purpose of a multi-family building, with off-street parking, upon certain terms and conditions.

**REASON:** The applicant is requesting a Special Use Permit which would allow for a multi-family building, with off street parking, within an R-48 Multifamily Residential District, which use, among other things, is not currently allowed by sections 30-416.1, 30-416.4(b), 30-416.5(1), 30-416.5(2)b, 30-416.6, and 30-416.8 regarding permitted principal uses, lot area and width, front yards, side and rear yards, usable open space, and height, respectively, of the Code of the City of Richmond (2020), as amended. A Special Use Permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

**BACKGROUND:** The property is located in the Museum District neighborhood on Grove Avenue, between Grove and Hanover Avenues. The property is currently a 98,699 sq. ft. (2.3 acre) improved parcel of land, with a 27,390 sq. ft. vacant building constructed, per tax assessment records, in 1955. The application is for a new, 6-story multi-family building with off-street parking.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Community Mixed Use. This designation is defined as clusters of "...medium-density, walkable commercial and residential uses that provide neighborhood services to nearby residential communities and sometimes feature regional attractions."

**Intensity:** Buildings generally ranging from two to six stories, based on street widths and depending on the historic context and stepping down in height adjacent to residential areas, as necessary. New buildings that are taller than historical buildings should step back from the build-to line after matching the height of the predominant cornice line of the block.

**Primary Uses:** Retail/office/personal service, multi-family residential, cultural, and open space.

**Secondary Uses:** Single-family houses, institutional, and government. (p. 58)

The current zoning for this property is R 48 Multifamily Residential. The surrounding land uses include primarily residential with some institutional and commercial uses within the Museum District neighborhood and nearby Carytown.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

**BUDGET AMENDMENT NECESSARY:** No

**REVENUE TO CITY:** \$2,400 application fee
