**RE:** To authorize the special use of the property known as 6140 Hull Street for the purpose of up to 140 single-family attached dwellings, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 6140 Hull Street for the purpose of up to

140 single-family attached dwellings, upon certain terms and conditions.

**REASON:** The applicant is requesting a Special Use Permit to authorize up to 140 single-family attached dwellings within an R-3 Single-Family Residential District. Single-family attached dwellings are not a permitted use within the R-3 District. A Special Use Permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

**BACKGROUND:** The property is located in the Elkhardt neighborhood on Hull Street between Derwent and Elkhardt Roads. The property is currently a 606,960 sq. ft. (16 acre) vacant parcel of land. The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use, which is defined as "Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses."

**Intensity:** Building heights are generally two to four stories. Buildings taller than four stories may be found along major streets. Parcels are generally between 1,500 and 5,000 sq. ft.

**Primary Uses:** Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

**Secondary Uses:** Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for this property is R-3 Single-Family Residential District. All adjacent and nearby properties are located primarily within the same R-3 zone. The area is generally single family residential, with some commercial and institutional uses present in the vicinity along Hull Street to the north and south. The proposed density of the parcel is 140 units upon 16 acres, or 8.75 units per acre.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

**BUDGET AMENDMENT NECESSARY:** No
