RE: To authorize the special use of the property known as 2113 North Avenue, for the purpose of a single-family detached dwelling, with an accessory dwelling unit, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2113 North Avenue, for the purpose of a single-family detached dwelling, with an accessory dwelling unit, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit to authorize the construction of a new two-story dwelling unit, which is to be accessory to an existing single-family detached dwelling, within an R 6 Single-Family Attached Residential District. Accessory dwelling units must be constructed by the date in which Section 30-412.2 of the Zoning Ordinance was passed which was June of 1995. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The property is located in the Southern Barton Heights neighborhood at the corner of North Avenue and East Battery Street. The property is currently a 7,200 sq. ft. (.16 acre) parcel of land. The property is improved with a two-story, single-family detached dwelling constructed, per city records, in 1925. The City's Richmond 300 Master Plan designates the property for a Residential land use which is defined as a neighborhood "...consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature."

Intensity: Buildings are generally one to three stories. Lot sizes generally range up to 5,000 to 20,000+ sq. ft. Residential density of 2 to 10 housing units per acre.

Primary Uses: Single-family houses, accessory dwelling units, and open space.

Secondary Uses: Duplexes and small multi-family buildings (typically 3-10 units), institutional, and cultural. Secondary uses may be found along major streets.

The current zoning for this property is R-6 Single-Family Attached Residential District. All adjacent properties are located primarily within the same R-6 Zone. The area is generally single family residential, with some multi-family residential and small, neighborhood commercial uses present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
