RE: To authorize the special use of the property known as 1203 North 19th Street for the purpose of a single-family dwelling, upon certain terms and conditions

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1203 North 19th Street for the purpose of a single-family dwelling, upon certain terms and conditions

REASON: The property is located in the R-6 Single-Family Attached Residential District. The new single-family dwelling constructed on the property is a permitted use. However, due to a surveyor error the dwelling encroaches into the required side yard on the southern side. Therefore a special use permit is requested in order to authorize this use.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The 2,950 square foot subject property located on the eastern side of 1203 North 19th Street, near its intersection with Q Street. The R-6 Zoning District requires a minimum lot area of 5,000 square feet and a minimum lot width of 50 feet for a single-family detached home. The subject property is 23.5 feet wide with a total area of 2,953 square feet. The lot has been a deeded independent lot since at least 1942 and is legally nonconforming for a single-family dwelling use provided that the lot feature requirements of the zoning district are met. In this instance, the recently constructed single-family dwelling encroached up to 1/2 a foot into the southern side yard setback.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
