**RE:** To rezone the property known as 809 Oliver Hill Way from the M-1 Light Industrial District to the TOD-1 Transit-Oriented Nodal District.

**ORD. OR RES. No.**

**PURPOSE:** The applicant is requesting to rezone the property known as 809 Oliver Hill Way from the M-1 Light Industrial District to the TOD-1 Transit-Oriented Nodal District. The proposed TOD-1 Transit-Oriented Nodal District will allow for mixed-use development including but not limited to residential and commercial uses on the properties. The TOD-1 encourages dense, walkable, transit-oriented development, enhancing the character of development along principal corridors, at key gateways, and at nodes of high activity located near transit service, bicycle infrastructure, and pedestrian friendly streetscapes. For this reason, the TOD-1 Transit-Oriented Nodal District classification is desired as an alternative to M-1 designation.

**BACKGROUND:**

The property consists of one parcel totaling 1.955 acres. The property is situated in the Upper Shockoe Valley neighborhood and fronts O Street to the north, N 18<sup>th</sup> Street to the east, and Oliver Hill Way to the west. The project is immediately adjacent to the Leigh St Viaduct which above O Street to the north.

The City's Richmond 300 Master Plan designates these parcels as Destination Mixed-Use. Primary uses of this designation include retail/office/ personal service, multi-family residential, cultural, and open space.

**COMMUNITY ENGAGEMENT:** The Shockoe Partnership and Union Hill neighborhood associations were notified of the application; additional community notification will take place after introduction.
