ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3112 Woodcliff Avenue for the purpose of two single-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit for a second single-family detached dwelling in the R-5 Single Family Residential District, which would be located on a separate parcel after a lot split. The single-family dwelling is a permitted use but feature requirements regarding lot area and lot width cannot be met. Therefore, a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The property is located in the Highland Terrace neighborhood between Craigie Avenue and Highland View Avenue. The property is currently a 4,200 (0.096 acre) parcel of land. The City's Richmond 300 Master Plan designates a future land use for the subject property as Residential, which is defined as a "Neighborhood consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature."

Intensity: Buildings are generally one to three stories. Lot sizes generally range up to 5,000 to 20,000+ sq. ft. Residential density of 2 to 10 housing units per acre.

Primary Uses: Single-family houses, accessory dwelling units, and open space.

Secondary Uses: Duplexes and small multi-family buildings (typically 3-10 units), institutional, and cultural. Secondary uses may be found along major streets.

The current zoning for the property is R-5 - Residential (Single Family). Adjacent properties are within the same R-5 District. The area is generally residential properties.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
