RE: To authorize the special use of the property known as 207 West Franklin Street for the purpose of two multi-family dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: The applicant is requesting a Special Use Permit to allow for a multifamily development containing up to eleven units at 207 West Franklin Street within an existing structure, an addition to the existing structure, and a new carriage house to the rear of the exiting structure.

BACKGROUND: The applicant is proposing to convert an existing two-and-a-half story structure at 207 West Franklin Street into a multifamily development by renovating and adding onto the structure, as well as constructing a new stand-alone carriage house to the rear. The existing structure, known as the T. Seddon Bruce House, was constructed ca. 1882-1185. Most recently, it has been used for office space but has sat vacant for more than three years.

The subject parcel is approximately 8,917 square feet (0.2 acres) and is located in the Monroe Ward neighborhood. The subject property is located within the RO-3 Residential Office District. While the use is permitted, some of the applicable standards including required yards and land area coverage cannot be met.

The subject property is also located within the Two Hundred Block West Franklin Street City Old and Historic District. A Certificate of Appropriateness for this proposal was granted in April 2023 (COA- 128344-2023).

The City's Richmond 300 Master Plan designates a future land use for the subject property as Downtown Mixed-Use, which is defined as "Central business district of the Richmond region features high-density development with office buildings, residential buildings, and a mix of complementary uses, including regional destinations in a highly-walkable urban environment."

COMMUNITY ENGAGEMENT: The Downtown Neighborhood Association was notified of this request; additional community notification will take place after introduction.
