ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2127 Idlewood Avenue for the purpose of a dwelling unit within an accessory building to a single-family attached dwelling, upon certain terms and conditions. The applicant is requesting a Special Use Permit to allow for a dwelling unit within an accessory structure to a single-family attached dwelling within the R-6 Single Family Attached Residential District. While the accessory dwelling unit is a permitted use in the R-6 District, it exceeds the allowable floor area by approximately 28 square feet.

BACKGROUND: The property is located in the Byrd Park neighborhood between South Shields Avenue and South Rowland Street. The property is currently a 2,040 square foot (.047 acre) parcel of land with a single-family attached dwelling.

The City’s Richmond 300 Master Plan designates a future land use for the subject properties as Neighborhood Mixed-Use, which is defined as, “Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses” (Richmond 300, p. 56, 2020).

Intensity: Building heights are generally two to four stories. Buildings taller than four stories may be found

along major streets. Parcels are generally between 1,500 and 5,000 sq. ft.

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for the property is R-6 - Residential (Single Family Attached). Adjacent properties are within the same R-6 District. The area is generally residential properties.

COMMUNITY ENGAGEMENT: The Byrd Park Civic League was notified of the application.
